Dear Mrs. Bailey:

Regarding your recent query concerning the Gerber Convention, the rebid of five clubs is the correct method for asking for kings. This is one of the revisions made in the Goren system in 1957. It was decided at that time that the asking bids of four and five clubs were simpler and less apt to lead to confusion than the method previously used which you quoted from an earlier edition of Point Count Bidding. Trust this answers your question. Thank you for your interest.

Sincerely yours,

Chas H. Goren
