Dear Mrs. Bailey:

Your recent query to Sports Illustrated concerning the requirements for obtaining a Goren Teacher's Certificate has been forwarded by that publication to this office. This is the procedure which must be followed. The applicant must take a written examination obtainable from this office upon request. After completing the paper the applicant returns it along with his check for \$25.00 made out to Mr. Goren.

The paper is then turned over to him for his personal correction and if he deems the result satisfactory a certificate is issued along with his comments on the paper. In the event that he feels further preparation is required the applicant is given additional time for study, after which an alternate examination is offered at no further charge.

If I can be of further assistance please let me know.

Sincerely yours,

*Leland E Ferer*
