

Aloha KBC Members,

Your Board of Directors met earlier this month and I would like to share some of the details from that meeting.

The game directors are now having regular meetings to discuss any issues, concerns, questions, etc. about our games. We are striving to have consistency in all aspects of our games. They will be reminding us about Zero Tolerance and also giving *very brief* playing tips before each game. If you have anything you would like them to discuss please let one of the directors know.

On June 20th, our club will be participating in “The Longest Day” sponsored by the Alzheimer’s Association. This is a fundraiser and we will be letting you know more about it as it gets closer.

We will also be having local charity games throughout the year to raise money for a local charity. The first year our charity funds will go to Hospice of Kona.

As our playing cards wear out they will be replaced by the Jumbo style cards. This will take place over time and the board felt it will better accommodate all players.

In the spirit of happiness, the board approved giving players one free play during their birthday month. The coupon can be used anytime throughout the year. After all, birthdays are very special days! This has gone into effect with this month, May.

It has been suggested, and I think it is a very “green” one, that members be encouraged to bring their own re-useable coffee cups each day, in order to not have so much paper/plastic waste. We encourage you to keep this in mind as we try to reduce our carbon footprint!

Last Thursday, many friends of Barbara Eichelbarger attended a simple yet lovely service to remember such a sweet and wonderful lady. We will miss her.

Some game changes:

- Thursday June 2nd will be moved to Saturday, June 4th at 1:00pm.
- Beginning June 9th, Thursday games will start at 1:00pm. during the summer.

Aloha,
Dan
